The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 618,502,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, i.e. being 618,502,000 Shares, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 61,850,200 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

3. FUNDING OF REPURCHASES

The Company may only apply funds legally available for share repurchase in accordance with its Memorandum and Articles of Association and/or the applicable laws of the Cayman Islands, as the case may be. Any repurchase may be made out of funds legally permitted to be utilised in this connection, including profits of the Company, share premium account for the Company or out of proceeds of a fresh issue of Shares made for that purpose and in the case of any premium payable on a repurchase over the par value of the Shares to be repurchased, it must be paid out of either or both of the profits of the Company or the Company's share premium account. Subject to satisfaction of the solvency test prescribed by the Cayman Islands Companies Law, a repurchase may also be made out of capital.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2019) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to

exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws and regulations of the Cayman Islands.

No core connected person of the Company has notified us that he/she or it has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of a repurchase of Shares made immediately after the listing of the Shares on the Stock Exchange. Save as aforesaid, the Directors are not aware of any other consequences which would arise under the Takeovers Code as a consequence of any repurchases made pursuant to the Repurchase Mandate.

8. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Peng Family is interested in 452,994,000 Shares, representing approximately 73.24% of the existing total issued share capital of the Company. In the event that the Directors should exercise in full the Repurchase Mandate, the Peng Family's interests in the Company would be increased to approximately 81.38% of the issued share capital of the Company and such an increase would not give rise to an obligation to make a mandatory general offer under the Takeovers Code. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made.

As aforesaid, the Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors shall not propose to repurchase Shares if it would result in less than the prescribed minimum percentage of Shares in public hands.

9. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
